Transfer electives to equal 64

64 Total Credits

*Grades of "C" or better required.

**IMPORTANT INFORMATION ON THE BACK SIDE!
THIS GUIDE IS SUBJECT TO CHANGE.**

Elementary Education -- Western Illinois University

The B.S. degree in Elementary Education qualifies students for an Elementary Teacher's Certificate that enables them to teach in first through sixth grade in self-contained classroom situations.

Selection and Retention Policy

Refer to the following website for an overview of Teacher Education Program Requirements:

<http://www.wiu.edu/coehs/cpep/tep/requirements.php>

Transfer students must successfully complete the **Illinois Certification Testing System (ICTS) – Test of Academic Proficiency (TAP) or ACT Plus Writing with a Composite Score of 22 or higher with a minimum of 19 in “combined English/Writing** and be accepted to the Teacher Education Program to continue enrolling in departmental classes at WIU. It is highly recommended that students successfully complete the ICTS Testing requirement prior to transfer to WIU.

A study guide, test dates, and registration materials are available online at www.icts.nesinc.com.

Additional Notes: A background in Spanish is highly recommended (i.e. LAN 161, 162, 261 and/or 262).

Important Note for Transfer Students: Students completing an Associate in Arts or an Associate in Science prior to transferring should know that the elementary education program will take an average 4 1/2 years to complete (5 semesters after transfer) due to course sequencing and availability. Students attempting to complete this program in a timelier manner should consider transferring to WIU after 3 semesters at SVCC (general education core curriculum completed) and begin coursework in their sophomore year at WIU. See an academic advisor for more information.

Advising Center, College of Education and Human Services, Macomb, IL (309) 298-1438

Western Illinois University - Quad Cities Campus: WIU-Quad Cities offers a Bachelor of Science in Education in Elementary Education. Students can complete lower division requirements at SVCC and transfer to WIU-Quad Cities to complete junior and senior courses needed to complete a Bachelor's degree (Four semesters plus student teaching).
